Iowa LTAP,
Institute for Transportation,
Iowa State University

City of West Des Moines

Federal Highway
Administration, Iowa Division

Indian Hills
Community College

Iowa Association of
Municipal Utilities

Iowa Department of
Transportation

Iowa State Patrol

Iowa Western
Community College

Jasper County, Iowa

This program is partially funded by the Iowa Department of Transportation's Office of Traffic and Safety, through the Traffic Safety Improvement Program pursuant to 2001, Iowa Code Section 312.2(15). This support helps keep the registration fee low to encourage greater participation.

This program is coordinated by the Iowa Department of Transportation and Iowa State University's Institute for Transportation.

Temporary Traffic Control for Construction, Maintenance, and Utility Work Zones

About the workshops

During February and March, 2015 work zone traffic control and safety training will be offered at several Iowa venues so that workers across the state can participate conveniently. Each one-day workshop will cover current revisions in the 2009 *Manual on Uniform Traffic Control Devices* (MUTCD), particularly Part 6.

The workshops consist of a general session for all participants, plus breakout sessions tailored to specific categories of work zone activities: city, county, Iowa DOT construction and contractors, Iowa DOT maintenance, and utility. Breakout sessions are not provided for every category at every workshop; check the schedules inside.

Who should attend?

The MUTCD recommends that all workers (and their supervisors) whose duties place them on or near the traveled portion of roadways regularly complete work zone traffic control training. The Iowa Work Zone Safety Workshops provide this valuable training. It is not necessary to attend a work zone safety workshop every year; every three years is recommended. Within an organization, workers' attendance can be rotated systematically, making it possible for staff at all levels to attend every few years.

For anyone interested in Iowa DOT specifications and requirements, the Iowa DOT construction and contractors breakout session may be most appropriate. The city breakout session may be best for workers interested in urban work zone applications. The Iowa DOT maintenance breakout sessions are specifically designed for Iowa DOT staff.

In addition to street and road agencies, contractors, consultant engineering staff, vendors, and suppliers in the road construction industry are welcome to attend and are encouraged to register for the same breakout session categories as those with whom they do business.

Workshop objectives

- To introduce the principles and convey the importance of using proper methods for safe and efficient temporary traffic control at work sites.
- To examine specific applications relevant to situations routinely encountered by city, county, contractor, Iowa DOT, and utility crews.
- To reduce motor vehicle traffic crashes at road work sites, resulting in greater safety for highway users and workers alike.

Questions?

For information about program content, contact Paul Albritton at the Institute for Transportation: 515-294-1231, palbritt@iastate.edu. For information about registration, contact ISU Registration Services: 515-294-6222, registrations@iastate.edu.

2015 Work Zone Safety Workshops

Register online at www.cpm.iastate.edu/workzone

Registration fee

The registration fee of \$90 includes all program materials, refreshments, and lunch.

CEUs

For an additional \$25, participants can earn continuing education units. The workshop is eligible for 0.55 CEUs. A certificate will be provided to participants who select this option on the registration form.

Agenda

8:00–8:30 a.m. Registration

8:30–10:00 a.m. General session

- General overview and what's new
- Law enforcement perspective
- Legal considerations
- Iowa "Zero Fatalities"

10:15 a.m. Breakout sessions

Specifics in areas of interest: county, city, Iowa DOT construction and contractors, Iowa DOT maintenance, or utility

Noon–12:45 p.m. Lunch on site with presentation

12:45–3:00 p.m. Breakout sessions, continued

3:00 p.m. Wrap-up

- Completion certification awards
- Adjournment

Dates/locations (all in Iowa)

Feb. 3	Ames, Scheman Building, ISU
Feb. 12	Cedar Rapids, The Kirkwood Center
Feb. 13	Ottumwa, Indian Hills Community College
Mar. 12	Waterloo, Hawkeye Community College
Mar. 24	Council Bluffs, Iowa Western Community College
Mar. 25	Sioux City, Stoney Creek Inn
Mar. 26	Storm Lake, Buena Vista University
Mar. 30	Ames, Scheman Building, ISU
Mar. 31	Ames, Scheman Building, ISU

County

A teaching team experienced with traffic control on county roads will explain how the MUTCD is applied in situations commonly encountered by county work crews.

Secondary roads personnel and others who work on or adjacent to high-speed low-volume roadways are invited to attend.

Instructors

Pam Olson, Jasper County Engineer's Office

Barry Sieh, Office of Local Systems, Iowa DOT

Brenda Boell, Office of Local Systems, Iowa DOT

County Breakout Sessions

Feb. 3	Ames, Scheman Building, ISU
Feb. 12	Cedar Rapids, The Kirkwood Center
Feb. 13	Ottumwa, Indian Hills Community College
Mar. 12	Waterloo, Hawkeye Community College
Mar. 24	Council Bluffs, Iowa Western Community College
Mar. 25	Sioux City, Stoney Creek Inn
Mar. 26	Storm Lake, Buena Vista University
Mar. 30	Ames, Scheman Building, ISU
Mar. 31	Ames, Scheman Building, ISU

City

Instructors experienced with traffic control on commercial and urban streets will explain how the MUTCD is applied in situations commonly encountered by city work crews. Examples are taken from lower speed in both high- and low-volume situations. ADA requirements will also be addressed.

Those invited include city street maintenance crews and their supervisors, personnel from city engineering offices, other city employees involved in public works or risk management, and consultants and contractors in the construction industry who work primarily with cities.

Instructors

Paul Albritton, InTrans, LTAP

Wayne Barrett, City of West Des Moines

City Breakout Sessions

Feb. 3	Ames, Scheman Building, ISU
Feb. 12	Cedar Rapids, The Kirkwood Center
Feb. 13	Ottumwa, Indian Hills Community College
Mar. 12	Waterloo, Hawkeye Community College
Mar. 24	Council Bluffs, Iowa Western Community College
Mar. 25	Sioux City, Stoney Creek Inn
Mar. 30	Ames, Scheman Building, ISU
Mar. 31	Ames, Scheman Building, ISU

Registration and billing

To register, complete the registration form online at www.cpm.iastate.edu/workzone. Or complete the form on the insert. (Only one registrant per form; copy it as needed.) Mail the form to ISU Registration Services, 1601 Golden Aspen Drive, Ste 110, Ames, IA 50010, or fax it to 515-294-6223.

Enrollment is limited and will be filled on a first-come, first-served basis. Indicate your first and second date preferences on the registration form.

You will receive confirmation of your registration, along with information about the date and exact location of your workshop.

Substitutions can be made any time. Cancellations must be made no later

than 10 working days prior to the workshop date for a refund of your registration fee and are subject to a \$15 cancellation fee. Call ISU Registration Services at 515-294-6222 or email registrations@iastate.edu.

Note: Please pay the registration fee *before* the workshop. If necessary, Iowa State University can bill your organization.

Iowa DOT Construction and Contractors

The Iowa DOT teaching team will review traffic control fundamentals in work zones, changes and updates in the MUTCD regarding work zones, and Iowa DOT traffic control plans and specification requirements.

Enrollment is open to Iowa DOT construction personnel, road workers, and others working on Iowa DOT projects, including field supervisors and managers of companies performing road construction work. Up to 3 employees per private company can attend each DOT Construction session.

Instructors

Mark Bortle, Office of Construction and Materials, Iowa DOT

Dan Sprengeler, Office of Traffic and Safety, Iowa DOT

Iowa DOT Construction and Contractors Breakout Sessions

- Feb. 3** Ames, Scheman Building, ISU
- Feb. 12** Cedar Rapids, The Kirkwood Center
- Feb. 13** Ottumwa, Indian Hills Community College
- Mar. 12** Waterloo, Hawkeye Community College
- Mar. 24** Council Bluffs, Iowa Western Community College
- Mar. 26** Storm Lake, Buena Vista University
- Mar. 30** Ames, Scheman Building, ISU

Iowa DOT Maintenance

The Iowa DOT instructors will cover traffic control fundamentals, updates in the MUTCD, and Iowa DOT traffic control plans and practices as applied in highway maintenance.

Enrollment is restricted to Iowa DOT maintenance personnel. Iowa DOT staff wishing to register should do so through their supervisor, not through this brochure.

Instructors

Steven Schroder, Office of Traffic and Safety, Iowa DOT

Iowa DOT District Maintenance Representatives

Iowa DOT Maintenance Breakout Sessions

- Feb. 3** Ames, Scheman Building, ISU
- Feb. 12** Cedar Rapids, The Kirkwood Center
- Feb. 13** Ottumwa, Indian Hills Community College
- Mar. 12** Waterloo, Hawkeye Community College
- Mar. 24** Council Bluffs, Iowa Western Community College
- Mar. 26** Storm Lake, Buena Vista University
- Mar. 30** Ames, Scheman Building, ISU
- Mar. 31** Ames, Scheman Building, ISU

Utility

Utility work can frequently conflict with traffic and put workers in vulnerable locations. In these situations, the principles of safe traffic control are most important, and the MUTCD is always applicable. ADA requirements will also be addressed.

Staff from electric, gas, telephone, cable TV, water works crews, and supervisors are invited to attend.

Instructors

Steve McLaughlin, Iowa Association of Municipal Utilities

Jim Wolfe, Iowa Association of Municipal Utilities

Mary Ann Kinkade, Iowa Association of Municipal Utilities

Utility Breakout Sessions

- Feb. 3** Ames, Scheman Building, ISU
- Feb. 12** Cedar Rapids, The Kirkwood Center
- Mar. 12** Waterloo, Hawkeye Community College
- Mar. 24** Council Bluffs, Iowa Western Community College
- Mar. 25** Sioux City, Stoney Creek Inn
- Mar. 30** Ames, Scheman Building, ISU

2015 Work Zone Safety Workshops Registration

Register online at www.cpm.iastate.edu/workzone, or mail or fax the form below.

One participant per form, please; photocopy this page to register additional participants.

1. Participant Information*

Name _____
 Organization _____
 Field Office _____
 Iowa DOT Cost Center _____
 Work Phone _____
 Street Address _____
 City _____
 State _____ Zip Code _____
 County _____
 E-mail _____

2. Payment and Fees

Registration fee: \$90 (includes course materials, refreshment breaks, and lunch). CEU: \$25 (optional). Please pay the total fee before the workshop. If necessary, billing your organization can be arranged. Complete the information below:

Check (Payable to Iowa State University)
 Purchase Order No. _____
 Visa MasterCard Discover
 Card No. _____ Exp. Date _____
 Cardholder Name _____
 Signature _____
 Optional CEU (additional \$25)
Total: \$ _____

*Iowa State University requests this information to preregister you in a conference. No one outside the university, with the exception of participants in this conference, is routinely provided this information. If you fail to provide the required information, we cannot promise accurate registration. (Reference: Iowa Code, Chapter 22.11; Iowa Fair Information Practices Act)

3. Select a Workshop Participation is limited to 30 per session. Register early to get your top choice.

Choose the category most appropriate to your work. In that column, mark your first (1) and second (2) choices for dates you would like to attend. You will receive confirmation of your registration by mail informing you of the date and location of your workshop. (Iowa DOT Maintenance sessions are specifically designed for Iowa DOT staff.)
