

ADA SIDEWALK REPLACEMENT REQUIREMENTS AT CROSSINGS (Feb 2012)

1. Sidewalk panel/ramp is disturbed but curb is not. May replace panel/ramp as it was (if already ADA Compliant must be replaced that way).
2. Curb is disturbed. Must replace curb and ramp and update to be ADA Compliant.
3. Curb is disturbed and less than 50% of the crosswalk is disturbed. Must replace curb and ramp and update to be ADA Compliant.
4. Replace over 50% of the crosswalk. Crosswalk, curbs, and ramps will need to be updated on both sides of the replaced pavement, even if work does not impact curbs or ramps.
