(Buchanan County)

Dear Addressee:

Please be advised that on behalf of Rock Island Clean Line LLC, we are filing with the Iowa Utilities Board a Petition for Electric Transmission Line Franchise to erect, operate and maintain an electric transmission line in Buchanan County, Iowa, over the route as indicated on the enclosed map (which is the Exhibit B included with the Petition). This Petition is for a nominal ± 600 kilovolt ("kV"), high voltage, direct current ("HVDC") transmission line that will originate at a converter station in O'Brien County, Iowa (the ultimate west terminus), traverse Iowa approximately 370 miles, cross the Mississippi River near Princeton, Iowa, enter Illinois south of Cordova, Illinois, traverse Illinois for approximately 120 miles, and interconnect with the 765 kV transmission system of the PJM Interconnection, LLC ("PJM") at the Collins substation in Grundy County, Illinois. The HVDC transmission line will terminate at a converter station to be located in Channahon, Illinois (the ultimate east terminus). The enclosed map shows the portion of the route in Buchanan County. A separate Petition is being filed for each of the 16 Iowa Counties through which the proposed line will be routed.

Should you have any questions concerning the attached proposal, please notify this office or Elizabeth Conley, Manager, Rock Island Clean Line LLC, 510 E. Locust Street, Suite 200, Des Moines, Iowa 50309. Telephone: 1-877-907-8516.

Sincerely,

Sullivan & Ward, P.C.
