

On Saturday, December 12th, 2020 at 10:13 pm, a WWD was detected turning EB onto the WB exit ramp at CR-X49 and US-20.

The WWD had been traveling SB on X49. The driver turned left onto the WB exit ramp. The WWD self-corrected after the Wrong Way signs by turning around and driving back to the entrance of the ramp. They then continued down X49 and turned to the EB lanes of HW20
