

Route 2:  
WWD exited US 30 at G Ave and traveled in the correct lane into Ogden.

Route 1:  
WWD exited US 30 at 1st St and traveled in the correct lane into Ogden.

On Tuesday 3/19/2019 around 10:00 AM a driver traveled from the EB lane of US 30 onto the concrete median. The driver continued over the median and then traveled EB in the WB lanes. The route of the WWD after this is unsure. Both possibilities are shown.
