

On Sunday, January 26th, 2020 at 1:26 am, a WWD was seen on 80TV214 traveling EB in the WB lanes of I-80 at MM 214. The WWD cannot be seen on 80TV210, so it is inferred that their point of entry was County Road V52. Law enforcement was unable to find the WWD. The WWD likely self-corrected by exiting at Exit 216/CR-V66.
