

On Sunday, June 28th, 2020 at 2:38 am a WWD was reported traveling WB in the EB lanes of US-30 in Cedar Rapids. The WWD can be seen passing cameras CRTV34, CRTV33, CRTV32, CRTV31, CRTV30, CRTV29, and CRTV28 before being stopped by police at MM 253. The WWD is not seen on CRTV48, establishing that they did not enter US-30 at IA-13. There are no cameras east of this interchange, so the most likely points of entry are (1) Beginning of US-30 bypass, (2) IA-1 in Mount Vernon, (3) Old US-30, and (4) Cedar River Rd. In total, the WWD traveled at least ten miles going the wrong way.
