

On Sunday, 12/29/2019 at 9:08 pm, a WWD was reported traveling EB in the WB lanes of IA-141 east of Perry. The nearest cameras are 17 miles away. Dallas County Sheriff's deputies were unable to find the WWD and no crash was reported.

The wrong way driver likely entered IA-141 from one of the ten at-grade crossings in Perry and self-corrected shortly outside town, likely at US-169.
