

On Monday, November 16th, 2020 at 5:20 am, a semi truck went up the loop at I-80 & IA-21 the wrong way, approaching I-80 EB going WB.

The WWD stopped in the gore and found a gap sufficient to turn around on the mainline to go EB in the EB lanes. The truck was reported by another motorist, who said they had stopped the semi truck from continuing the wrong way.
