

On Tuesday, April 7th, 2020 at 12:55 am, a caller reported a semi traveling SB in the NB lanes of I-35 near Story City. At 1:01 am, the caller reported the WWD had exited at Story City, self-corrected, and was now going NB in the NB lanes.

The Story County Sheriff's Office stopped a similar truck who denied being the WWD and said there were several K&B trucks out making trips between Tyson facilities.

The truck was not seen on D1TV02. The POE is assumed to be either Exit 128 (Randall) or Exit 133 (IA-175/Ellsworth).
