

On 6/29/2018 at about 5:11 am, a WWD was reported traveling NB in the SB lanes of I-35 at MM 63. Footage from DMTV78 does not show a WWD entering the interstate. DMTV75 and DMTV76 were not operational at the time. The WWD most likely entered the interstate going the correct way, crossed to the SB side at the MM 58 crossover, and continued the wrong way up to Exit 65.
