

On Wednesday, February 26th, 2020 at about 8:52 pm, a WWD traveling NB in the SB lanes of US-218 at MM 69 collided with another vehicle. The nearest camera is 12 miles north of the crash location. There were no witness reports to indicate a POE, however the most likely point of entry is US-218 & IA-92, 2 miles south of the crash site. Per the crash report, the WWD drove the wrong way for at least 5-10 minutes before crashing. After the crash, the WWD was charged with OWI.
