

On Saturday 12/7/2019 at 6:27 am, a WWD entered I-29 traveling SB in the NB lanes from Wesley Pkwy (Exit 148). The entrance can be seen on SCTV26 and SCTV10. The WWD is seen again on SCTV19. Near MM 148, the WWD struck a car but left the scene and continued SB (the wrong way). After striking a concrete barrier, the WWD exited I-29 and drove onto Gordon Dr, where he was stopped by police.
