Thanks Bret!!

Ethel – Please check into. I believe that W 18th St. is what we call 610th St, so start checking the camera video at NV 4 (SW 4th St). If nothing, look at NV 3 (600th St)

Subject: Wrong Way Driver

Hello,

We had a wrong way driver called in at 22:44 with approximately a 2 minute time delay at Highway 30 East bound and West 18th St. Car was described as a Black four door car West bound in the East bound lanes. At this time we have been UTL. Event ID is 1907-00555.

Thank you,
Riley
