

On Friday, August 28th, 2020 at 8:42 am, a vehicle NB on 580th Ave turned short to go WB in the EB lanes of US-30. The WWD was seen passing NVTV01, AMTV19, AMTV06, and AMTV18 before turning around at MM 149. After turning around, the driver continued EB in the EB lanes. The sensor at Sand Hill Trail was the only one to alarm.
