

DOT Plow going WB at 2:32am

No WWD Seen from this camera

DOT Plow going EB at 2:24.44am

Area where DOT Plow

Around 2:28am on 1/31/21, a DOT Snow plow operator witnessed a driver in front of him (both were WB in the WB Lanes) do a "U" turn in this general area and the WWD headed EB, passing the plow driver in the left lane

No WB WWD Seen from this camera from 2:20 am to 2:30am, however a EB WWD was seen at 2:30
